Join Our Slack Channel

We've emailed out the link to join our Slack channel to our members, but if you missed it, let us know.

Slack stands for Searchable Log of All Communication and Knowledge and NUHRA has many reasons for starting one:

- Asking questions of our peers.
- Chatting with someone who knows what you are going through.
- Being part of conversations with others to learn more about options and solutions they've tried.

Our Slack channel is a place similar to a large chat room where we can all get together and pose questions or offer each other virtual support. Within the NUHRA channel, you'll find a channel for general, networking, and random. In these three channels users can feel safe asking questions, offering advice, and otherwise connecting within our chapter.

We miss being able to have conversations with each of you, both personal and professional, and hope that this can be a way to help.

P.S. We are always looking for new members; if you know anyone that may be interested in joining, please send them to our website, nuhra.shrm.org. As a reminder, you can bring one guest per year. This is a great way for them to get a taste of our great membership and speakers. And do not forget our new lower membership fee for 2021.

Good News

Davis Tech is offering a SHRM Certification Preparation Course!

If you need to prepare for an upcoming exam, Davis Tech is offering a prep course March 8 to April 21 from 6:00 to 9:00 P.M. with a hybrid format (live and online).

It will be held at the Davis Technical College in room 2002 for \$999, which includes a 2021 Learning System. The Custom Fit rate is \$500 for qualified companies.

For more information and to register, visit davistech.edu/shrm.

NUHRA membership dues for 2021 are only \$75!

Thanks to COVID, we haven't had to spend as much as we would have on chapter meetings, so we want to share the savings with you.

We hope to be able to resume normal meetings again soon and anticipate 2022 dues returning to \$150.

Send your good news to Christina at CLondon@nutracorp.com (please no spam or solicitation).

Upcoming Events

February Meeting

When: February 15

Time: 12:00 – 1:00

Deborah H Stone will present to us on Ethics as a Higher Standard for HR Professionals.

Debbie Stone has been an HR professional for several decades and has worked at Employers Council for the last seven years as an HR and Organizational Development Consultant. She spends most of her time addressing questions with Employers Council members around performance management issues and regulatory compliance. Her work in these areas constantly reinforces her belief that many disciplinary actions and terminations are, at their root, caused by abstract business policies and practices.

Debbie is delighted to discuss Ethics in an HR context. She majored in Philosophy and obtained a B.A. from George Mason University in Virginia. She also holds an M.S. in Management from the University of Maryland, where her graduate work focused on Ethics in Organizations.
