President's Address

Thank you to NUHRA Members!!

We hosted a personal hygiene kit drive in December which was very successful. Thank you to all who participated.

We are very proud to have made this the 2nd year we have done this, donating the kits to a different shelter each year.

Thanks for your help to make this a successful drive!

I would also like to thank those who remembered to renew their membership with NUHRA. It is not too late to do so now if you didn't remember or hadn't gotten around to it. Please go to the website, www.nuhra.org, and apply today. You can pay online or by check.

We hope to have a very successful year and are on the right track. So far, most of the year has been planned and is already pre-approved for HRCI and SHRM credit. If anyone has any ideas for great speakers or topics, please share so we can get them scheduled.

See you at the next meeting!

RESOURCE MANAGEMENT

SHRM Student Case Competition and Career Summits

The 2016 SHRM Student Case Competition and Career Summits provide world-class opportunities for students, student chapter advisors, faculty members and HR professionals to connect through events held in multiple locations across the country. Attendees will hear from in-the-know keynote speakers, sit down with local HR practitioners, engage with fellow attendees and compete in the coveted SHRM Case Competition. These events are designed to enhance students' perspective on what it means to be a member of the HR community and prepare them to advance both personally and professionally - but we need your help!

The 2016 competition for the West Region will be held in Salt Lake City! The dates are April 29-30, 2016

CORPORATE SPONSORSHIP

SHRM has a corporate sponsorship opportunity, and hopes you will help in identifying local companies that might be willing to support the future of our profession.

“We are seeking one Corporate Sponsor per event at the \$2,500 level.”

Each package includes exclusive sponsorship of the keynote presentation (including speaker introduction and 3-5 minutes of podium time to highlight your company), a table top display, company logo and name displayed on the event website and printed materials and the opportunity to meet students for employment and internship openings.

VOLUNTEERS NEEDED

Utah is proud to host the 2016 SHRM Student Case Competition and Career Summit for the west coast. They are looking for volunteers for April 29-30 to help with this event in Salt Lake City.

They have 97 volunteer opportunities for the West Summit. If you are interested, visit this link:

<http://conferences.shrm.org/2016-case-competition-and-career-summits/volunteer-opportunitiesregistration>, select WEST, and register now before spots fill up.

OTHER VOLUNTEERS NEEDED

Utah will be hosting a State Student Case Competition for students to prepare for the regional competition. Stay tuned for further details. Volunteers will be needed for judges.

This is a great opportunity to meet the next generation and help whip them into shape!
