President's Address

Hello All!

This edition is a little in the month but, luckily, I can now safely say welcome to Summer. Though, I probably do not need to remind everyone it is Summer after the several triple digit days we have had...

The June lunch meeting with special guest Jeanine Wilson from HR Mentors was amazing! Despite a few minor glitches at Warehouse 22, it was great to see several of you in person again and mingle. I cannot believe it has been well over a year since we last got together for lunch. I look forward to hopefully seeing more of you at our next in person lunch meeting in October. (July will be virtual only.)

I wanted to give a huge shout out to our 2021 NUHRA Scholarship winners and applicants. We had a great group of exceptional applicants this year which made the process of narrowing down the applicant pool a challenging one. In the end we awarded Sofia Muirhead and Selene Rodriguez both with scholarship money to help on their educational journey. I applaud them for all they are doing for NUHRA and academically at WSU.

You will have the opportunity to meet these fine scholarship winners at our Annual Golf Tournament, which will be held on August 9, 2021, at the Wolf Creek in Eden, UT. We also encourage those interested in applying to do so again in the future. I would like to thank all our NUHRA sponsors and amazing members that make it possible for us to give back.

All the best,

Miles Romney

Dual Membership

Hopefully by now you've heard that NUHRA is moving into a dual membership relationship with SHRM. For years we have been a 100% chapter. In fact, we're part of a 100% state, which means that in Utah, to join a SHRM chapter, you first must be a member of SHRM national.

In the past, you paid for your SHRM membership on the anniversary of the date you joined. Then you paid your NUHRA dues each January for a calendar year membership. Now, things will be different.

Beginning July of 2021, NUHRA and National SHRM are partnering together to bring our members dual membership!

Here is what this means for you:

- All memberships will be purchased in one transaction through National SHRM at www.shrm.org.
- You no longer need to worry about maintaining two memberships, as they will be paired together.
- Your national and local SHRM memberships will have the same expiration dates moving forward.
- All membership costs will remain the same.

We understand there are going to be lots of questions, and we are going to work through them. For example, in the first year we may need to balance bill or refund people to get their SHRM and NUHRA expiration dates to match. We have a plan and will reach out to people as needed. Feel free to ask questions if you have them.

Thank you for your continued membership and dedication to the HR profession.
