President's Address

June is half way done. We hit 102 members this month. We hope we can continue to add value to the HR community. If you have suggestions, we would love to hear them!

Our June presenter had some good suggestions on peer support groups for mental health. We are so grateful to the experts who come each month to help us be better practitioners.

Remember, as you work, you are not alone. HR is hard work, but we have a community of people with a wealth of knowledge that we can draw from.

Lastly, be sure to enjoy some summer fun to take care of yourself.

We Want Your Input

Our membership has grown quite a bit lately. We'd like to think that it is in part, due to our efforts, but we know it is because you are spreading the word that NUHRA is a valuable membership add-on to SHRM.

With this growth, we recognize that we have many new people we haven't gotten to know. We'd like to know what you value in your NUHRA membership. Why did you find it worthwhile? What would make it better? What do you need at this point in your career? What types of presentation content would you like to see in the future?

Please feel free to reach out to any member of the board and share any feedback or ideas you may have. We value your membership and would love to meet or exceed your needs.
